
REVISED PORT TENANT NOTICE

July 27, 2007

RE: Super Sack Cement

Port Tenants:

Please discard the previous Port Tenant Notice dated July 25, 2007.

Effective immediately, and in order to be competitive with other Ports, please be advised that super sack cement will be charged in accordance with Port Tariff No. 16, Breakbulk : Cement, in bags, palletized/loose – \$1.25 per ton.

Please note that this cargo, as all other cargos can be charged in accordance with Port Tariff No. 16 or your Marine Terminal Agreement rates; although no combination thereof.

Should you have any additional questions, please do not hesitate to call or email me.

Respectfully,

Jarra L Kaczvara
Senior Director
Business Development
Port of Palm Beach District
