 OF THE PORT OF THE PALM BEACH

I T E M	SUBJECT	Application																				
145	Terminal Facilities	A 100,000 square foot cold storage warehouse is located at the Port of Palm Beach together with open storage areas, and transit sheds.																				
155	Rail Switching	The Port of Palm Beach operates an industrial switching operation consisting of a diesel switch engine and crew which normally operates five days a week, 8 hours a day, switching cars from the Florida East Coast Interchange Track to the unloading and loading spots on the Port property. Switching service is available 24 hours a day, and seven days a week, subject to overtime charges. The Port has six miles of track for holding, loading, and unloading unit car trains. Intra- and inter-terminal switching charges are set forth in Switching P.P.B.D. 8015, C, and all supplements thereto, available on request.																				
165	Pilotage Rates	A Schedule of Rates for Pilotage at the Port of Palm Beach is provided by the Pilots Association, 200 13th Street East, Riviera Beach, Florida 33404. All vessel owners, operators, or agents are required to consult with the Pilots Association prior to calling at the Port of Palm Beach regarding pilotage requirements for existing conditions at the Port. CALL: Regular Hours Telephone: (561) 845-2628																				
175	Tug Assistance Charges	The Schedule for Rates for Tug Assistance at the Port of Palm Beach is provided by the Port Towing Corporation, P.O. Box 30369, Palm Beach Gardens, Florida 33410. CALL: Office Phone: (561) 844-0106 Night Phone: (561) 622-7548 (561) 626-8529
