

**Railroad Crossing
CLOSED
July 14th to July 17th**

**SR 710 Under
Construction
Local Traffic Only**

**SR 710
Port Cargo
Entrance**

**US-1
Port Cargo
Entrance**

LEGEND:

-  Work Area
-  Local Traffic Only
-  Main Detour Route

CLOSURE:

SR 710 / MLK BOULEVARD is going to be closed to vehicular traffic due to Florida East Coast (FEC) Railway Grade Crossing Rehabilitation during the following days:

Friday, July 14th, 2017 at 9:00 AM to

Monday, July 17th, 2017 at 6:00 AM

PURPOSE/SCOPE:

This detour is being established to allow workers to perform necessary repairs to the FEC Railway at the **Port of Palm Beach SR 710 Cargo Gate**. During the closure, workers will rehabilitate the existing track to repair defective rails and replace crossing surface to improve ride quality.

DETOUR INFORMATION: (See map)

Traffic accessing the **Port of Palm Beach** will be diverted to the **US 1 CARGO GATE** as follows:

Eastbound: Traffic on **SR 710 / MLK BOULEVARD** will be directed to go southbound on Old Dixie Highway / President Barack Obama Highway

- Traffic going eastbound on SR 710 / MLK BOULEVARD will turn right on Old Dixie Highway / President Barack Obama Highway and go south to
- 45th Street; then traffic will turn left and drive east to
- US-1 / Broadway; then traffic will turn left and drive north to
- Access Road / US-1 CARGO GATE

Southbound: Traffic on Old Dixie Highway / President Barack Obama Highway will continue:

- Southbound on Old Dixie Highway / President Barack Obama Highway to
- 45th Street; then traffic will turn left and drive east to
- US-1 / Broadway; then traffic will turn left and drive north to
- Access Road / US-1 CARGO GATE

Eastbound: Traffic on 45th Street will continue:

- Eastbound on 45th Street across Old Dixie Highway / President Barack Obama Highway to
- US-1 / Broadway; then traffic will turn left and drive north to
- Access Road / US-1 Cargo Gate

EMERGENCY ACCESS

All emergency response vehicles will use the **US 1 CARGO GATE** entrance as shown on the detour information.
